What leadership qualities do you believe you have that would make you a good chapter officer?

I believe I am responsible, have passion, am committed, and open minded. I can be a leader in a group and be open minded to everyone's opinions and ideas. With these qualities I believe that I would make a excellent officer.

What goals do you have for the next school year?

- Goals for the FFA chapter-

I would like to encourage participation in all grades. To be able to bond with everyone and have a positive relationship with everyone in the chapter is an important thing to me, and that is what I want the Sauk Prairie FFA chapter.

- Goals as an FFA member-

As an FFA member I want to get more involved in the FFA activities while also trying to get other involved and joining FFA.

- Personal goals

Personally, I would really like to be more fluent in French, make varsity softball, and get strong enough to do a cheer stunt by myself. I would also like to work more with my SAE to learn more vet terms.

Why do you think you should be selected to be an officer for the Sauk Prairie FFA chapter?

I should be selected because I have the qualities of a Sauk Prairie FFA officer. I want to teach others and get them involved in FFA. I should be an officer because I am responsible and have an open mindset to all.

I have been to 5 FFA meetings since June 1st.
