School/Community Activities:

- Volunteer at our FFA Blood drive
(2017)

Leadership Qualities:

I would make a good chapter FFA officer because, I am the type of person that is hardworking and strive to get things done and turned in on time. I also am an outgoing person that likes to help people when there in need and need a hand. Finally I am an organized person that will help keep things straight and to the point.

Goals For FFA Chapter:

If I become an FFA officer I will help make the younger generation of kids join FFA to make them realize what hard work it is for farmers. I would help the younger students to help guide their way through success in FFA.

Goals For As A FFA Member:

As an FFA member I look at all the things that can be changed to become more successful for the younger students and become a more successful FFA chapter. I also pay attention to current FFA members and see what each officer position consists of.

Personal Goals:

My personal goals are to become more active in the FFA side of things. I want to get into more of the side of FFA where all the planning aspect of things. Also I would like to maintain above a B grade average to become a more successful person out of school and in the real world.

Officer: I would be a good Sauk Prairie FFA officer for the class of 2019-2020 because I will make all the meetings and put everything aside to make sure I do my job correctly. I will put all my effort into making sure everyone is happy.

Meetings: I have been to 3 meetings since June 1st, missed two of them do to family related activities.
