**1.) School/community activities**

I am an active member in the Honey Creek Snowmobile club.

**2.) What leadership qualities do you believe you have that would make you a good chapter officer?**

I am good at staying on task, which is efficient in completing all the assigned tasks. I am good at listening to others ideas to help improve our chapter. I am also a good organizer.

**3.) a. Goals for the FFA chapter?**

My goal for the FFA chapter is to get more members involved. Our chapter is struggling to get members to help with activities, and attend monthly meeting. My goal also as an officer is to eliminate all the mutney I have noticed with this year's chapter officers.

**b. What goals do you have as an FFA member?**

My goal as an FFA member is to be engaged in more ffa activities. I want to influence the younger classes to participate more also.

**c. What are your personal goals?**

My personal goal is to improve my SAE and my proficiency. I would like to take more time to do a complete and better job on my proficiency to receive a good placing. I would also like to work towards my applicators certification. Earning this would make me more useful at my workplace.

**4.) Why do you think you should be selected to be an officer for the Sauk Prairie FFA Chapter?**

I believe I am a good candidate for office because I keep up on all my school work and my grades. I am always on time and very responsible. I am active in the FFA as well as the FFA alumni with their activities. I am also busy on our hame farm, as well as my work place. It's either I'm at one or the other on my free time. It's a lifestyle.

**5.) How many FFA meetings have you attended since June 1st?**

I have been at 6 meetings since June first.
