Leadership Quality: Organized and get things done

FFA Chapter Goals: My goals for this chapter are to get more people involved in FFA and the people who are in FFA to become more active.

FFA Member Goals: Get myself more involved with more of the little things such as food pantry, contests, etc and I am running for an officer.

Personal Goals: My academic goals are to keep high honors and get straight A's. For my SAE, I hope to help the wildlife in my woods and limit invasive species. I want to develop a winning SAE program. Athletics-I am hoping to play football but that decision is still pending.

Why I should be selected: I am an active FFA member and try to help whenever I can. I would like to grow as an FFA member and help others get involved so that Sauk Prairie FFA can continue to be the powerful organization it is.

Number of FFA meetings since June 1st: 5 meetings
