

Sauk Prairie FFA Officer Application

Name:

Age: 15

Address:

Years of Agriculture Education: 3

Years in FFA: 3

Current FFA Degree: Greenhand

1) FFA activities:

2018: 212 Conference, 6th grade conservation day (twice), 7th grade career day (twice), corn maze, ditch clean up (twice), FFA fruit sale, mobile meals (twice), food pantry (twice), laser tagging (twice), barn dance, State Convention, Discovery Barnyard, Cow chip food stand, 3rd grade Food for America, 4th grade Food for America, National Convention, Culver's share nights (twice), blood drive, Dairy Days, Sauk County dairy breakfast, tractor pull (twice), CDE's, and 8 monthly meetings.

2019: Monthly meeting and district speaking contest.

2) School/community activities: 4H Member, Relay for Life and High Honor Student

3) Leadership qualities: I feel my strong qualities are that I am very organized, affable, driven, and responsible. I held office as a Sentinel for the last years officer team so I know what is expected and what it takes to make and improve a successful officer team. All these qualities would serve me well as an officer and help our FFA chapter to continue to grow.

4) Goals for next school year:

Goals for the FFA Chapter: To continue to grow our chapter through more member involvement. I would like to improve our school and community through agriculture and FFA. Spread the word and get out there to talk about what FFA really is.

Goals as an FFA member: To keep being involved and working on the officer team. I want to go to many activities and conferences again. Continuing to raise money for our chapter through fundraisers such as the fruit sale. Hoping to go to state for horse judging and speaking contests and eventually make it to nationals for those competitions.

Personal Goals: Maintain high honors. Work and improve SAE.

5) Why I should be selected as an officer: I would like FFA to play a large positive role in my high school career. I would love to be an asset to the chapter, and look forward to growing as a member. Given that I have been on an officer team

before means that I have seen all the behind the scenes it takes so next year I will be more prepared on how to improve our FFA chapter and our team.

- 6) **What I would do differently:** As a returning officer I would focus more on connecting with each other on the team. We tried one's but the problem was scheduling but not everybody could make it. Communication then became a problem because of our inability to really connect. The officer retreat during the summer helped new officers to understand what was needed to be done but at the same time I think a lot of us felt very bombarded with the information quickly coming in so something I would change is to really sit down with new officers and show them. Maybe like have more detailed planning sheets would help and not just talk about things like how to add events to the calendar but show them. That would also answer questions ahead of time. I think overall we just need to try harder as a team and individually.
- 7) **FFA meetings since June 1st:** I have been to every monthly meeting.
