

## January 2021 Meeting Minutes

The meeting was called to order at 2:47p.m. The secretary's report was talked about. Treasurer's report was discussed and our current balance is \$8172.80. The treasurer's report was moved by Phillip and seconded by Sydney and passed with a majority vote. In old business we discussed mobile meals and the fruit sale. In the new business we talked about the speaking contests, we are still unsure on what those will look like however they will more than likely be virtual. We discussed having proficiency work nights. Proficiencies are due February 20th. There will be sign ups created and sent out to members for the work nights. CDE's are going to happen this year, they will be spaced out and held at different locations. There will also be a sign up sent out for that. Strawberry fruit sale sign ups are going out to members tonight and there will NOT be cheese spread offered with the strawberry sale this year. FFA week is February 20-27th. An idea that was brought up was creating a kahoot and sending it out for the teachers to do during the homeroom time at the beginning of the day. Meeting possibly during FFA week. Card night was talked about and there will be a sign up for that. We might possibly be doing recordings for a local radio station for FFA week. Ask an officer if you have any questions. The Ice fishing event was talked about however we don't have the clear to do it with another school so we could possibly be doing it as just our chapter. Blanket making was talked about where we will make tie blankets and then give them to the local nursing home. The idea of going to Cascade Mountain was talked about and had a lot of interest from members so we will most likely be set up. Kelsey made a motion to buy new officer station markers and Luke seconded it. There was no debate and it passed with a majority vote. Meeting was adjourned at 3:11p.m.
